Please remember to support your local parishes, many of whom have maintained the recitation of daily prayers for us while we shelter at home. With no weekly bake sales or collection plates, we need to proactively support them.

If you have an account in a Ukrainian Federal Credit Union, you can ask them about making a direct deposit to your local parish, which will often have an account at the Credit Union as well. Don't forget to include your full names so that the parish can keep track of weekly donations.
UCCA supports the initiative to postpone community events and activities indefinitely, or else move to have these online. Unfortunately, some annual events have had to be canceled for this year already. UCCA is keeping a updated list of these cancellations on our Facebook page: Coronavirus closings and cancelations continually updated

We have a YouTube Channel! Over the course of the coming week, we'll be uploading extended clips of UCCA conferences for you to watch while following local shelter-in-place ordinances: https://bit.ly/UCCATube
