The United Ukrainian American Relief Committee (UUARC) is calling for all persons of good will and kind heart in the Ukrainian American community to help those afflicted by floods in Western Ukraine.

As a result of the heavy rains from June 22 to June 23, 2020, the levels of many rivers have risen to very dangerous levels. In fact, the rivers still continue to rise in Ivano-Frankivsk, Chernivtsi, Lviv, Zakarpattia and Ternopil regions resulting in flooding of dozens of towns and villages, thousands of houses and destroying many roads and bridges. Countless have lost their properties, their savings and are even unable to buy basic everyday items. Hundreds have been left homeless.

В наслідок тривалих сильних дощів, що пройшли з 22 по 23 червня 2020 року, рівень багатьох рік значно піднісся і далі підноситься в Івано-Франківській, Чернівецькій, Львівській, Закарпатській, та Тернопільській областях, в результаті чого затоплено десятки населених пунктів, об’єкти соціальної сфери, тисячі житлових будинків,
In the flood zone, mainly in the Ivano-Frankivsk region, 8,000 houses were flooded, 19 bridges were completely demolished, 100 km of roads were destroyed and 400 people were evacuated. Sadly, three people died and one person is still missing. People have no drinking water and no power as the water level continues to rise. (In some areas more than 2 meters).

As always, UUARC is in the forefront helping those in need. However, we can not do this alone and once again are relying on our donors' generosity. Please do not be indifferent to this horrific catastrophe and human suffering. You too can help by sending a donation through UUARC for which you will receive a receipt for the exact amount of your donation which is tax exempt. Rest assured that UUARC will deliver ALL of your donations to the flood victims.

The Ukrainian Congress Committee of America (UCCA) continually monitors positions and statements made throughout every election cycle concerning U.S. foreign policy. This monitoring has become imperative given the ongoing war being waged against Ukraine by Putin’s Russia. In past election cycles, UCCA representatives have reached out to both the Democratic and Republican National Committees in advance of their respective conventions and the general election to bring awareness of the benefits and garner support for the strategic partnership which exists between the United States and Ukraine. While the coronavirus pandemic has dampened physical meetings with relevant platform committees and national campaigns, it hasn’t dissuaded UCCA from continued opportunities for interaction.

On behalf of the Ukrainian American community, UCCA recently submitted a position paper to both the Democratic and Republican National Committees, highlighting the continuation of crucial assistance to the Ukrainian nation. U.S. assistance in all forms falls within the stated mission of UCCA and its advocacy to
