The Center for US-Ukrainian Relations, the Ukrainian Congress Committee of America, and the American Foreign Policy Council invite you to join us online on Wednesday-Thursday, October 21-22, for the 21st annual Ukraine’s Quest for Mature Nation Statehood Roundtable. This online conference is dedicated to evaluating Ukraine’s military preparedness, particularly in the face of the ongoing occupation of Crimea and ongoing aggression in Donbas by the nation’s northern neighbor.

This webinar, scheduled to run as two four hour segments on consecutive days, will be the last in a new and critically important trilogy of UA Quest RT gatherings (2018-20) essentially dedicated to exploring and
nation’s northern neighbor. This year, over two dozen featured speakers (including several flag officers of both Ukraine and the United States) are expected to address the gathering.

The complete program and roster of presenting participants is provided below.

Kindly respond by October 18, 2020 concerning your acceptance to participate. For further information, UA Quest Roundtable XXI Webinar Host, Andrij Dobriansky, drjmail@gmail.com, or UA Quest Roundtable XXI Program Coordinator, Walter Zaryckyj, waz2102@caa.columbia.edu,
