On Wednesday-Thursday, June 16-17, the Center for US-Ukrainian Relations, the Ukrainian Congress Committee of America, the Ukrainian National Information Service, and the American Foreign Policy Council, in partnership with the International Republican Institute, the National Democratic Institute, and the Open World Program, will convene the ninth US-UA Working Group Summit: Providing Ukraine with an Annual Report Card. This online conference, to be held in (2) four-hour segments spanning (2) consecutive days, will bring together key government and non-government representatives from Ukraine, Canada, the EU and the US to take measure of Ukraine's 2020-2021 progress/regress in six categories: "robust democratic politics, mature market economics, ever greater energy security, ever greater general security, viable social cohesion and an established national identity."

At the conclusion, a final grade will be assessed based on the contributions of over two dozen speakers (program to come). As with last year’s virtual summit, the organizers will also poll the registered attendees for their own grades, and compare them with those of the expert speakers.

Register today!

As with previous summits, both days will also be livestreamed.

UCCA President Visits Chicago
Навіть під час пандемії, українське культурне життя в Чикаго кипить. Громадська організація Помаранчева Хвиля за сприяння Відділу УККА Ілліной, вітала Президента Українського Конгресового Комітету Америки на зустріч в рамках щорічного "Свята Героїв", яке проводиться в кінці травня. Крім виступу в Українському Національному Музеї, Андрій Футей брав участь у віртуальній дискусії з головою Відділу УККА Ілліной, Ігорем Дячуном, завдяки виконавчого директора Асоціації Самопоміч Романа Яцковського.

Відійшов у вічність інж. Богдан Федорак
It is with great sadness that UCCA learned of Bohdan Fedorak’s passing on May 29th. He was an active member of organized Ukrainian diaspora life since his days as a Plastun and as one of the student founders of the Ukrainian Student Association of Mykola Mikhnovsky (TUSM). For many years, pan Fedorak served as THE voice of Ukrainian American relations with elected officials in the United States, as UCCA’s point person for contact with Congress. He was not only an active member of Standing Committees on UCCA’s National Council, but president of UCCA’s local chapter in Warren, MI, as well as president of the Ukrainian Cultural Center in Warren, MI, and Vice President of the Ukrainian-American Freedom Foundation. His work was so respected worldwide that he was named to the Secretariat of the World Congress of Free Ukrainians, and following Ukraine’s independence, he was named Honorary Consul of Ukraine in Michigan.

UCCA sends its sincerest condolences to the community he led, his lifelong friends, and especially the entire Fedorak family.
