## [UCCA Greets the 30th Anniversary of Ukraine's National Independence Referendum](#)

UCCA sends its heartfelt greetings to the people of Ukraine on the 30th anniversary of the national referendum proclaiming the renewed independence of Ukraine.

While August 24, 1991, may be remembered as the formal date of Ukraine's declaration of independence, [on December 1, 1991](#) the Ukrainian nation actually confirmed the act, opening the door for recognition of the fact by the other nations in the world.

[On December 1, 1991](#), after centuries of oppression, the citizens of Ukraine voiced their desire for independence and in a nationwide referendum, overwhelmingly (over 90%) casting their ballots for renewed independence. Voters were asked "Do you support the Act of Declaration of Independence of Ukraine?," with text of the Declaration included as a preamble to the question.

For Ukrainians around the world, the restoration of Ukraine's Independence was a goal many could only dream of, but which became a reality at the end of the 20th century. [UCCA honors the centuries of hard work and determination](#) that led to Ukraine declaring its sovereignty and the sacrifice that it has taken to maintain its freedom since that time.

On the occasion of the 30th Anniversary of Ukraine's national referendum on independence, may the Lord bless the Ukrainian nation and grant it the wisdom and fortitude to secure an independent, democratic Ukraine that can take its rightful place amongst the nations of the free world.

Dear Senator/Representative (name):

As a Ukrainian American constituent in (state/district), I respectfully request your support for continued support for Ukraine. Recently, Ukraine and the United States have enhanced their relationship with the signing of a renewed U.S.- Ukraine Charter on Strategic Partnership. Its preamble states emphatically the United States' "unwavering commitment to Ukraine's sovereignty, independence, and territorial integrity within its internationally recognized borders, including Crimea."

Ukraine is facing imminent peril at the hands of Russia's continued aggression. Please support efforts to enact immediate sanctions against the NordStream2 political pipeline, provide Ukraine increased levels of military assistance, as well as to integrate Ukraine further into Euro-Atlantic structures by providing membership in NATO. Your support of Ukraine and its strategic importance to the national security interests of the United States would be greatly appreciated.
