Новорічні привітання від захисників і захисниць

УККА бажає Вам, та всій українській громаді в США, щасливого Нового Року! Нехай у цей святковий час Боже благословення зійде на всіх нас, а Новий Рік принесе здоров'я, щастя та здійснення всіх наших мрій і прагнень.

Христос Рождається!

May this holiday season bring God's blessings upon all Ukrainians and may the New Year bring health, happiness and fulfillment of your aspirations.
Due to the urgent warnings many of us have received from Ukraine, UCCA hosted a special webinar on Tuesday, 28 December. UCCA appreciates the responsiveness of our UCCA National Council member organizations the Center for U.S.-Ukrainian Relations, the Organization for Defense of Four Freedoms of Ukraine, and the Ukrainian American Freedom Foundation in organizing this event. In addition to UCCA President Andriy Futey and Vice-President Michael Sawkiw, Jr., important information about the state of Russia's forces readying for war against Ukraine was explained to participants by former NATO Supreme Allied Commander, Gen. Wesley Clark (ret.) and President of The Potomac Foundation, Dr. Phillip Karber.

UCCA remains committed to fostering additional cooperation from elected officials to continue our nation’s proud tradition of bipartisan support for Ukraine. As Ukrainian Americans are united in their support for Ukraine, we hope you can support UCCA as we forge ahead in a new decade of US-Ukraine Relations.

Call to Action - SUPPORT UKRAINE!

Ukraine is currently facing numerous challenges to its security and sovereignty. We are all too familiar with Russian troops amassing on Ukraine’s borders, the continued threat to European energy security, the NordStream2 pipeline becoming fully operational, and the imposition of hybrid aggression upon Ukraine.

Through the Ukrainian Defender’s Alliance, UCCA’s Washington, D.C.-based Foreign Policy Team is constantly monitoring the situation in Washington, DC. We track international officials and congressional leaders to ensure they are informed at this critical juncture.

UCCA regularly distributes statements, press releases and monthly bulletins. If you’ve missed any updates of the work you’ve enabled over the past year, please look through our monthly bulletins linked to below. Make sure you’re on our list! Sign me up!
