З нагоди свят Христового Воскресіння
Український Конгресовий Комітет Америки
посилає свої теплі вітання,
захисникам і захисницям України!
Христос Воскрес! Воістину Воскрес!
Господи Боже наш,
Ти вислухав Мойсея, коли він простягав до Тебе руки,
і народ ізраїльський зміцнив на амаликтян,
озброїв Ісуса Навина на битву та повелів сонцю
спинитися.
Ти й нині, Владико, почуй нас, що молимося до Тебе.
Зміцни силою Твоєю побожний народ наш,
благослови його справи,
примнож славу його перемогою над ворогом,
зміцни всемогутньою Твоєю правицею нашу державу,
збережи військо, пошлі ангела Твого на зміцнення
захисників народу нашого,
подай нам усе, що просимо для спасіння.
Молимося Тобі, Боже наш, вислухай і помилуй нас.

Дякую!

Over and again, the benefits of UCCA's coordinated efforts in terms of humanitarian aid being shipped to Ukraine was discussed, while UCCA's president made sure to thank the Colorado Ukrainian American community for their ongoing efforts in aiding Ukraine.

News from Washington, D.C.
The Head of Government of Ukraine thanked the US Administration and the Secretary of State personally for the leadership and unprecedented support of Ukraine in the confrontation of armed aggression carried out by the Kremlin in the center of Europe.

The Prime Minister dressed that now is a breaking point as Russia began a new phase of violent attacks in the east and south, continuing to fire all cities with missiles, aviation and artillery. Ukraine needs a continuous supply of weapons and we count on the permanent leadership of the United States.

The parties have coordinated joint efforts to strengthen sanctions so that Russian demands on the existence of the Kherson region and its de-facto annexation to the Russian Federation can no longer be acceptable.
