UCCA President visits Georgia

The President of the Ukrainian Congress Committee of America (UCCA), the representative organization of nearly 2 million Americans of Ukrainian descent, traveled to Atlanta and Duluth, GA, on April 29-30 to meet with representatives of the Ukrainian American community at UCCA-GA's *Everything Will Be Ukraine Fundraiser Concert*.

During his visit, Mr. Futey met with the leadership of “Ukrainian Atlanta,” including the President of UCCA's Georgia Branch Natalliia Onyskiv, as well as Branch officers Tetiana Lendiel, Ruslan Semchyshyn, Svitlana McNutt and many community leaders and artists. A highlight of the evening included a report on all of the humanitarian aid raised by UCCA-GA (video below).

For his part, Mr. Futey outlined the work of UCCA national officers, related the importance of unity within the Ukrainian American community, and encouraged local organizers to promote UCCA's mission of aiding Ukraine and Ukrainians by uniting Ukrainian American organizations under one national umbrella organization.
Every May 9, Russia celebrates with much pomp and ceremony the so-called military glory of the Soviet Union, one of the most murderous regimes in the history of mankind. The Ukrainian World Congress (UWC) is aiming to subvert Russia’s attempts to celebrate its annual “Victory Day” by branding May 9th as #RussianShameDay.

The campaign aims to divert attention from the forced celebrations of ‘victory’ in Russia on May 9th and instead flood social media with images of the atrocities committed by the Russian Army in Ukraine:
UCCA's #SupportUkraine Fund

The Ukrainian Congress Committee of America has raised over 2 million US dollars submitted via UCCA's MightyCause platform, direct bank deposits, donations and charity events, with an additional 2 million US dollars in in-kind donations distributed by UCCA, and numerous UCCA local chapters gathering hundreds of thousands of US dollars in donations in only the last few months.

UCCA would like to thank all our individual donors and corporate sponsors for their generous support of our Ukrainian American community's vital humanitarian aid efforts!

It is a difficult time for Ukraine, yet again. Although Ukraine stands on the precipice of darkness, Ukrainians are not alone. Our community, friends, and allies have and continue to assist. The situation is rapidly unfolding and there is great suffering.

We have assisted Ukraine in withstanding successive crises having provided relief of over $2 million dollars in support, supplies, equipment and medical aid over the last 20+ years. Our biggest effort is now.
The June 9-10th in-person #SupportUkraine! “Ukraine Washington Days” advocacy event will be used as an opportunity to meet in-person once again with Members of Congress and acquaint them with our concerns for increased security assistance for Ukraine, continued strong sanctions against Ukraine’s enemies, and support for humanitarian programs to aid Ukrainians afflicted by the war.

There are an estimated 75,000 Ukrainian nationals currently living in the United States. In light of Russia’s military invasion of Ukraine, it is too dangerous for these Ukrainian nationals to return to the country if and when their U.S. immigration status lapses. To help them, the Biden Administration has designated Ukraine for Temporary Protected Status (TPS), a form of immigration relief that provides the right to live and work in the United States for a temporary period.
On April 19, 2022, the registration process to obtain an 18-month designation of Temporary Protected Status (TPS) for Ukrainian nationals in the United States began.

To be eligible, individuals must demonstrate their continuous residence in the United States since April 11, 2022, and continuous physical presence in the United States since the designation date in the Federal Register notice on April 19, 2022.

If you are a Ukrainian national in the United States who would like help completing an application for Temporary Protected Status, we encourage you to reach out to the Lawyers for Good Government (L4GG) Pro Bono Project which has been set up to provide legal assistance.

The U.S. government has now announced #UnitingforUkraine, an entry program for people fleeing Ukraine who are seeking refuge in the United States.
