UCCA's #SupportUkraine deliveries continue to arrive in Ukraine

Container #5 of Humanitarian Aid

UCCA packed and sent out its 5th container of humanitarian aid to Ukraine thanks to the donations collected through the Ukrainian Cultural Center in Whippany, NJ.

Thank you to the dozen volunteers who helped pack this 40' container all by hand!

[Download UCCA's Latest Humanitarian Aid Report \(PDF\)](#)

Earlier this month, UCCA arranged for the free transport to Ukraine of over 130 boxes of medical supplies - surgical and post surgical - as well as vital procedural trays. Additionally, hygiene products, orthotics, first aid supplies, baby & adult diapers, blankets and clothes including a generous donation of 1,000 Bombas socks, worth \$15,000, were shipped off in containers.

Through your donations, UCCA's team and partners were able to procure and distribute vital Individual First Aid Kits (IFAKs) to Ukraine's defenders directly on the frontlines.

Unfortunately, our work is far from done. Help us make a direct impact to save Ukraine. Please continue your generous donations.

Let's help Ukraine win this war!

Portman crosses into Ukraine, calls for more artillery shipments

Sen. [Rob Portman](#) (R-Ohio), a leading Senate advocate for supporting Ukraine's war against Russia, crossed into Ukraine Sunday and called on the Biden administration to step up its shipments of artillery.

Portman announced his visit while at the Ukraine-Moldova border crossing at Palanca.

BRIEFING ROOM

Statement by President Joe Biden on Additional Security Assistance to Ukraine

JUNE 01, 2022 • STATEMENTS AND RELEASES

The people of Ukraine continue to inspire the world with their courage and resolve as they fight bravely to defend their country and their democracy against Russian aggression. The United States will stand with our Ukrainian partners and continue to provide Ukraine with weapons and equipment to defend itself.

Today, I am announcing a significant new security assistance package to provide timely and critical aid to the Ukrainian military. Thanks to the additional funding for Ukraine, passed with overwhelmingly bipartisan support in the U.S. Congress, the United States will be able to keep providing Ukraine with more of the weapons that they are using so effectively to repel Russian attacks. This new package will arm them with new capabilities and advanced weaponry, including HIMARS with battlefield munitions, to defend their territory from Russian advances. We will continue to lead the world in providing historic assistance to support Ukraine's fight for freedom.
