A new project of the UCCA

[Download UCCA's Latest Humanitarian Aid Update: #13 \(PDF\)](#)

The Ukrainian Congress Committee of America (UCCA) is an organization that has represented the interests of the Ukrainian American community since 1940. UCCA is not organized as a humanitarian aid organization, but by leveraging its membership and partners, UCCA continually raises the necessary funds to deliver goods in support of Ukraine's war effort. UCCA has been a fundraiser, a mobilizer, a logistics provider and has been able to utilize its long-time trusted contacts from the Ukrainian government to deliver what is needed by the Ukrainian people NOW.

UCCA publishes all of our
Humanitarian aid reports at [UCCA.org](https://www.UCCA.org)

Unfortunately, our work is far from done. Help us make a direct impact to save Ukraine. Please continue your generous donations.
