Unfortunately, our work is far from done. Help us make a direct impact to save Ukraine. Please continue your generous donations.

Across the United States, many of our local Ukrainian American communities plan to publicly commemorate the renewal of Ukraine's Independence this August. If you or your local community receive any official proclamations or stage any independence events, please share them with UCCA's National Office so that we may gather them together with our archives of proclamations and greetings dating back to our founding in 1940.
