Office of the Mayor Proclamation INDEPENDENCE DAY OF UKRAINE AUGUST 24, 2022

WHEREAS, on August 24, 1991, the Parliament of Ukraine formally declared an independent, sovereign, and democratic Ukrainian state, establishing the territorial integrity of Ukraine as sovereign and inviolable, further upheld by an overwhelming majority of Ukrainians in a national referendum in December of that same year; and,

WHEREAS, for centuries, the people of Ukraine sought and struggled to achieve an independent state all the while preserving their culture, language, and self-identity; and,

WHEREAS, the territorial integrity of Ukraine is sovereign and inviolable, and portions of Ukraine's territory are currently under Russian military occupation in contravention of international law; we honor the efforts and sacrifices of the Armed Forces of Ukraine to stave off further Russian military advances in Ukraine, and their readiness to defend the entire European continent and its United States allies against further aggressive actions of the Kremlin; and,
