On behalf of the Ukrainian Congress Committee of America, we wish you a very happy and blessed Thanksgiving!

During this holiday season, let us also give THANKS to the bravery of our Freedom Fighters who are defending Ukraine's sovereignty and territorial integrity and guarding democracy for the whole of Europe.

У цей день, коли ми зберемося родинно, щоб подякувати за всі життєві блага, не забуваймо тих, хто продовжує боротьбу за територіальну цілісність України та захищає її демократію.
The Tuesday after Thanksgiving is traditionally called Giving Tuesday, where donations to charity are encouraged as a part of the holiday season.

Giving Tuesday focuses on giving back to those organizations that make our community organizations a better place for all.

UCCA encourages the Ukrainian American community to keep in mind those local community organizations which have donated space, talent and time during the war effort, and to support those who have helped make our community thrive so that we may help Ukraine when they need us most.

Each local parish, dance school or museum has a variety of ways to support their mission, including monetary donations, volunteer time, in-kind contributions, or simply sharing the mission and good works of the nonprofit.

If you have the ability to do so, they would surely be grateful for your support as we move into the Christmas season.

**Together, we can all make a difference for our community.**

#GivingTuesday is one of the important days for nonprofit donations all year, that is more vital Ukrainian not-for-profits than ever before. As a nonprofit organization, UCCA relies heavily on your donations for support, and we hope you continue your generosity this upcoming Tuesday, November 29.
UCCA is a registered 501(c)(3) Not-for-Profit organization
and all donations to UCCA are tax deductible.
