Alkpainichkuú Roht pecobuú Romimem Amepuku Ukrainian Congress Committee of America

The Ukrainian Congress Committee of America would like to extend its warmest Easter greetings on the occasion of the greatest and holiest day for all Christians.

Easter represents a time of sacrifice, and a time of renewal. The symbolism of Christ sacrificing his own earthly life so that we may receive an eternal one, is reminiscent of the sacrifices, that our brothers and sisters in Ukraine are making every day, often with their own lives, for the sake of freedom.

Last year, His Beatitude Sviatoslav Shevchuk, reminded us only weeks after the enemy had been chased out of Kyiv, that "Today, when Ukraine is defending itself against an insidious foe, more than ever we are called to spiritual warfare, remembering that evil can only be overcome by good."

Today, our Ukrainian American community, along with the millions-strong Ukrainian diaspora around the world, stands in solidarity with the people of Ukraine and is making every effort to assist in the defense of the territorial integrity of Ukraine.

UCCA thanks YOU for helping to advocate for greater U.S.-Ukrainian relations, resulting in hundreds of millions of dollars in assistance being allocated for Ukraine this year alone. None of UCCA's initiatives would be possible without YOUR support, commitment and dedication.

to aid the people of Ukraine.

May the Lord grant our brothers and sisters in Ukraine the strength to stand united against those who would compromise Ukraine's freedom and territorial integrity, and to provide them with the fortitude to continue their struggle for the right to realize their aspirations to live in a democratic and European country.

On behalf of UCCA's National Office, we wish you and your loved ones a wonderful Easter season!

For the second year in a row Ramadan, Passover and Easter Sunday will occur during the same weekend. This is because Ramadan began on March 22 at sundown and continues until April 21, Passover began on April 5 at sundown and continues until April 13, and Western Easter falls on April 9. Typically, this event happens three times a century or once every 33 years.

To the hundreds of thousands of Muslims and Jews of Ukraine celebrating during this unprecedented time, and especially to the
