UCCA's Humanitarian Aid

[Download UCCA's 65th Aid Update \(PDF\)](#)

UCCA's 65th Humanitarian Aid Update shows how [UCCA's Well Water Project](#) is providing clean drinking water for various hard-hit villages in the Beryslav Raion (district) of the Kherson Oblast, ongoing efforts to supply our freedom fighters with non-lethal military assistance - including [UCCA's new Drone Fund](#). We also link to the collaboration by Rachael Ray and DelBrenna Jewelry to create a [custom jewelry collection](#) through which fifty-five percent (55%) of each purchase will aid UNBROKEN National Rehabilitation Center [through the assistance of UCCA](#).

Thanks to the generosity of the Ukrainian American community and the general public, each donation, large or small, to [UCCA's #SupportUkraine Fund](#) has made an impact, because 100% of these tax-deductible donations continues to be used to help alleviate the challenges Ukrainians continue to face. In addition to UCCA's 2023 Platinum Seal of Transparency, the highest award from the charity rating organization Candid, all of UCCA's "War Aid Updates" and "Special Mission Reports" can be reviewed at [UCCA.org](#).
