29 серпня – День пам'яті захисників України, які загинули в боротьбі за незалежність, суверенітет і територіальну цілісність України

Господи, Боже Всемогутній, довіряю Твоєму милосердю душі наших загиблих солдат, які віддали своє життя, захищаючи дорогу Батьківщину і пролили свою кров, обороняючи не лише нашу країну, а й святу віру. О Боже, нехай це їхнє мучеництво, здійснене в захисті віри та Батьківщини, визволить їхні душі з чистилища і випросить їм вічну нагороду в небі.

Благаю Тебе заради Страстей і смерті нашого Спасителя, через Його Пресвяте Серце, за заступництвом Його Непорочної Матері, а також святих Покровителів нашого народу. Амінь.

This year, to mark 32 years of Ukraine's Renewed Independence, UCCA was proud to once again partner with the [Permanent Mission of Ukraine to the United Nations](#) and the [Consulate General of Ukraine in New York](#) to organize a **Celebration of Freedom & Liberty** in New York City, in collaboration with the United Nations Missions of the [Ukrainian World Congress](#), [World Federation of Ukrainian Women's Organizations](#) as well as the Mejlis of Ukraine's Indigenous Crimean Tatar people.

Graciously hosted by the [Ukrainian Institute of America](#) (UIA), these type of partnerships between Ukraine's diplomatic corps and our diaspora organizations demonstrate the true strength of the Ukrainian people united on the world stage. And throughout the evening, appreciation was expressed for the generous financial underwriting by the [Self Reliance \(NY\) Federal Credit Union](#), the [SUMA \(Yonkers\) Federal Credit Union](#) and the [Ukrainian National Federal Credit Union](#), which enabled our community to

The rally included remarks from Ukrainian American organizations and other ethnic communities, as well.

After the rally, a [march led rally participants](#) to the Shevchenko monument where local artists and children from the Saturday School of Ukrainian Studies provided songs and recited poems in tribute to the 32nd anniversary.

Update your calendars

Beginning this 1 September 2023, the Ukrainian Greek Catholic Church (UGCC) will celebrate all fixed feasts in the “new style.” Primarily, Christmas — on December 25, Epiphany — on January 6, Annunciation of the Blessed Virgin Mary — on March 25, Intercession of the Blessed Virgin Mary — on October 1, St. Nicholas Day — on December 6, etc.

The Synod of the Orthodox Church of Ukraine (OCU) has also approved switching to the this calendar for all fixed feasts beginning on 1 September. Both the UOC and UGCC will retain the existing Paschalion - the set of rules for determining the date of the movable Easter feast.

On 14 July 2023, the Verkhovna Rada, Ukraine's parliament, approved legislation that modifies the dates of three state holidays:

- Beginning this year, 2023, Christmas will be celebrated in Ukraine on 25 December instead of 7 January;
 - Beginning in 2024, the Day of Ukrainian Statehood will be observed on 15 July instead of 28 July (coinciding with the church holiday commemorating the Christianization of Kyivan Rus');
 - and beginning this year, 2023, Defender of Ukraine Day will be on 1 October instead of 14 October (coinciding with the church holiday of the Protection of the Most Holy Mother of God - Pokrova).
