Dear Friends of Ukraine,

**📣 UKRAINE SUPPLEMENTAL REQUEST - CALL/WRITE TO YOUR SENATORS! 📣**

On Wednesday, the U.S. Senate introduced a revised national security supplemental bill that strips away the U.S. border component. An initial vote in the Senate to advance the new bill did not meet the 60 vote threshold. A second procedural vote will be held this afternoon (Thursday) to review the revised national security supplemental bill.

Below please find a link about the current deliberations facing the U.S. Senate today:

## **SAMPLE CORRESPONDENCE:**

Dear Senator (name):

I am aware of today's efforts to bring a procedural vote for a revised supplemental assistance package that includes critical funding for Ukraine. As your constituent, I urge you to support Ukraine.

The revised supplemental request is not only about Ukraine defending its own country, sovereignty, and territorial integrity, it is also an investment in the international law-based security dynamic.

Assisting Ukraine and curbing russian aggression now will prevent prolonged American involvement in a future worldwide conflict. Your support at this critical juncture is greatly appreciated.

Thank you!
