Dear Friends of Ukraine,

📣 **NATO SUMMIT - JULY 9-11, 2024; WASHINGTON, DC** 📣

The summit of the North Atlantic Treaty Alliance (NATO) will be held in Washington, DC on July 9-11, 2024. Of particular importance will be the commemoration of the 75th anniversary of the Alliance's founding in 1949. Ukraine will undoubtedly be a main topic of discussion at the NATO Summit as the Alliance considers additional support for Ukraine to defend itself in the 28th-month of Russia's unprovoked war of aggression. Social opinion polls in Ukraine have overwhelmingly shown the public's support of Ukraine's intent to join the NATO alliance.

The Ukrainian Congress Committee of America (UCCA) and its Washington, DC public affairs bureau – the Ukrainian National Information Service (UNIS) – urge you to contact the White House and urge President Biden to support Ukraine's aspirations to join the trans-Atlantic security alliance at the upcoming 75th NATO Summit.

Advocacy of this very important matter will prove to be of historical significance.

SAMPLE CORRESPONDENCE:

Dear President Biden:

As a Ukrainian American, I am clear-eyed about the threat russia poses both to Ukraine and the trans-Atlantic community of democracies. Ukraine is single-handedly fulfilling the founding charter of NATO of peace and security by repelling russia in its unprovoked war of aggression.

For years, Ukraine has enshrined in its Constitution the goal of NATO membership. And since russia's illegal invasion of Ukraine in February 2022, Ukraine has formally applied to become a member of the security alliance.

Mr. President, I urge you to formally support and invite Ukraine to join the Euro-Atlantic defensive alliance at the upcoming NATO 75th Summit in July 2024. It is in the national security interest of the United States and our European allies to have Ukraine as an integral member of NATO. Your support at this critical juncture is greatly appreciated. Thank you!
