Dear Friends of Ukraine,

**📣 NATO SUMMIT - JULY 9-11, 2024; WASHINGTON, DC 📣**

The summit of the North Atlantic Treaty Alliance (NATO) will be held in Washington, DC on July 9-11, 2024 with the backdrop of massive russian missile strikes in Ukraine. The NATO Summit will commemorate the 75th anniversary of the Alliance's founding while innocent Ukrainian civilians are slaughtered by the relentless barrage of russian terrorist missiles.

It is urgent to express our opinion as U.S. citizens to the White House! The Ukrainian Congress Committee of America (UCCA) and its Washington, DC public affairs bureau – the Ukrainian National Information Service (UNIS) – urge you to contact the White House and urge President Biden to allow Ukraine to strike deeply within russia, as well

as to support Ukraine's aspirations to join the trans-Atlantic security alliance at this week's 75th NATO Summit. Please see links below:

## **SAMPLE CORRESPONDENCE:**

Dear President Biden:

I am horrified by russia's most recent barrage of missile attacks on Ukraine that specifically targeted a children's hospital in Kyiv. As an American, I am clear-eyed about the pervasive threat russia poses not only to Ukraine, but to the trans-Atlantic community of democracies. Ukraine is single-handedly fulfilling the founding charter of NATO of peace and security by repelling russia and its war of aggression.

Mr. President, innocent children were killed today in Ukraine! russian actions are nothing less than terrorist attacks! I urge you to formally support and invite Ukraine to join the Euro-Atlantic defensive alliance at this week's NATO 75th Summit. And of urgent importance, please allow for deeper strikes at strategic targets inside russia. The United States' global leadership is deeply needed at this critical juncture to end russia's war of aggression against Ukraine. Your support is greatly appreciated. Thank you!
