within russia to eliminate the aggressor's capacity to carry out such terrorist attacks. It is urgent to express our opinion as U.S. citizens to the White House!

SAMPLE CORRESPONDENCE:

Dear Mr. President:

I implore you to allow Ukraine the capacity to strike deeply into russian territory at military and strategic installations. Such actions would prevent russia from launching missiles and rockets into Ukraine that kill innocent civilians, as evidenced by this morning's missile attacks in Poltava that killed nearly 50 and injured hundreds more!

As a strategic partner of Ukraine, it is our responsibility to assist Ukraine in its time of need.

PLEASE HELP UKRAINE! ALLOW UKRAINE THE CAPACITY FOR DEEP STRIKES INTO russia!
