Dear Friends of Ukraine,

TONIGHT: A POST-ELECTION ANALYSIS WEBINAR – Wednesday, November 13, 2024

After last week's election of Donald Trump as the next President of the United States, the Ukrainian Congress Committee of America (UCCA) will sponsor a post-election webinar analyzing the future of U.S.-Ukraine relations. President-elect Trump has nominated a number of national security officials for his upcoming Administration. The post-elections webinar will provide insight into the officials being named for various positions and provide an overview of the current war of Russian aggression against Ukraine.

Please join this evening as blogger Diane Francis and former UnderSecretary of the Navy Jerry Hultin share their thoughts and opinions.
