Dear "Ukrainian Days" participants,

TONIGHT! MONDAY, FEBRUARY 17, 2025: Virtual Briefing Session for "Ukrainian Days"

The first #SupportUkraine! "Ukrainian Days" in-person advocacy fete for 2025 will be held next week in Washington, DC. The event will be our first opportunity to interact with the new 119th Congress and is being held in commemoration of the 3rd anniversary of russia's brutal full-scale invasion of Ukraine.

Sponsored by the Ukrainian National Information Service (UNIS), the Washington, DC public affairs bureau of the Ukrainian Congress Committee of America (UCCA), this advocacy event remains an important endeavor for the Ukrainian American community on the heels of the Munich Security Conference and discussions between the Trump Administration and President Zelenskyy.

The 2-day advocacy event from February 24-25, 2025 will be used as an opportunity to meet in-person with Representatives and Senators in Washington, DC. The goal is to acquaint ourselves with the new 119th Congress, to thank elected officials for their support of Ukraine, as well as to acquaint them with prevailing issues such as:

- * sustainable security guarantees for Ukraine, including NATO membership;
- * unlocking U.S. security assistance to strike at strategic targets deep inside russia;
- * expanding sanctions against russia (in particular the banking and energy sectors, and third-party sanctions evaders);
- * designation of russia as a State Sponsor of Terror;
- * russia's war crimes including the abduction of Ukrainian children; and,
- * other important issues related to the war of russian aggression in Ukraine.

PLEASE NOTE: Tonight, Monday, February 17, 2025, an evening virtual briefing session will be held with featured guest - Steven Moore, Founder of the Ukraine Freedom Project. A link for the evening virtual session is provided below:
