Dear Friends of Ukraine,

SAVE THE DATE - “Ukrainian Week” in March 2025

The second #SupportUkraine! “Ukrainian Week” advocacy event for 2025 will be held during congressional recess from March 17-21, 2025 in local congressional districts and states throughout the country.

Sponsored by the Ukrainian National Information Service (UNIS), the Washington, DC public affairs bureau of the Ukrainian Congress Committee of America (UCCA), this advocacy event remains an important endeavor for the Ukrainian American community on the heels of the successful in-person “Ukrainian Days” in Washington, DC in February 2025.

The weeklong advocacy event from March 17-21, 2025 will be used as an opportunity to meet in-person with Representatives, Senators, and their local staffs in their district and state offices, respectively. We are all under heightened awareness of the current bilateral tensions between Ukraine and the United States. The goal of the in-district advocacy event is to bring focused attention to revoke the U.S. pause of military assistance and intelligence sharing, as well as to remind our elected officials that peace in Ukraine must be fair, just, and sustainable with security guarantees.

As in previous advocacy events, an evening virtual briefing session will be held (*TBD next week*) prior to the weeklong event and briefing notes will be distributed to all "Ukrainian Week" participants. For further information and to register for the event, please contact UNIS at: unis.sawkiw@gmail.com.

Join in the March 2025 "Ukrainian Week" endeavor. Advance our community's concerns and meet your elected officials!
