Dear Friends of Ukraine,

**📣 russia HONORS PALM SUNDAY BY KILLING UKRAINIANS
HEADED TO CHURCH! 📣**

Two russian ballistic missiles targeted civilians headed to Palm Sunday services in Sumy, Ukraine's city center. Over 30 people have been killed, including children, and nearly 100 are injured. This is russia's answer to naïve pronouncements about russian desire for "peace." putin and russia DO NOT WANT PEACE! The only winner in any misguided "peace negotiation" policy is the genocidal aggressor state - russia!

russia's continuing war crimes against Ukraine's civilians demand that all decent people stand up and express our outrage at this recent russian terrorist atrocity. The Ukrainian Congress Committee of America (UCCA) and its Washington,

DC public affairs bureau – the Ukrainian National Information Service (UNIS) – urge you to contact the White House and your elected officials in Congress to express our horror and revulsion at the terrorist attack, but also to provide Ukraine the necessary security assistance to defend its borders. russia DOES NOT SEEK PEACE. The United States can not be drawn into negotiating with a treacherous terrorist state.

Advocacy of this very important matter will prove to be of historical significance. Please see sample texts below:

HOW TO CONTACT THE WHITE HOUSE:

- 1. Telephone the White House switchboard at (202) 456-1111 and deliver the message below.**

For the WHITE HOUSE:

Words cannot express the horror at russia's recent terrorist attack on peaceful Ukrainian citizens in Sumy, Ukraine on Palm Sunday! There can be no "peace negotiations" with russia as it is evident that it wants nothing else but to eradicate Ukraine and all Ukrainians. While sanctions against russia are important, Ukraine needs continued and deepened security assistance, in particular air defense systems to protect the innocent lives of Ukrainian citizens against russian terrorism. Our policy of "Peace Through Strength" must enhance Ukraine's ability to defend itself in this war of russian aggression.

Freedom and democracy are more than just words...It is time to support Ukraine and defend Western values.

HOW TO CONTACT CONGRESS:

- 1. Telephone the U.S. Capitol switchboard at (202) 224-3121 and deliver the message below.**

For CONGRESS:

At this critical juncture, when Ukraine is seeking a sustainable and just peace, russia has once again shown its true colors as a terrorist and aggressor state. Palm Sunday's ballistic missile attack in Sumy, Ukraine only proves that russia chooses war and not peace. As your constituent, I call on you to please stand with democracy, freedom, and provide Ukraine - our ally and strategic partner - with desperately-needed security assistance Your voice is crucial at this pivotal time.
