Dear Friends of Ukraine,

📣 YOUR VOICE IS NEEDED TO SAVE UKRAINE'S CHILDREN! 📣

On Wednesday, December 3rd, the Senate Appropriations Committee held a very timely hearing exposing the full horror of russia's mass abduction, kidnapping, and forced transfer of Ukrainian children to the russian federation or to other countries throughout the world. A link to the hearing is provide below:

This genocidal act demands immediate action from our elected leaders!

The Ukrainian Congress Committee of America (UCCA) and its Washington, DC public affairs bureau – the Ukrainian National Information Service (UNIS), urge every constituent to contact their elected officials (senators and congressman) and insist they support and pass the bipartisan resolutions condemning these war crimes and calling for the safe return of every child.

Advocacy of this very important matter will prove to be of historical significance. A sample text is provided below:

HOW TO CONTACT CONGRESS:

1. Telephone the congressional switchboard at (202) 224-3121 and deliver the message below.

SAMPLE TEXT:

I'm writing to urge you to strongly support resolution **[add accordingly...H.Res.564/S.Res.236]** addressing russia's abduction and unlawful transfer of Ukrainian children. We are witnessing an ongoing war crime and atrocity.

The U.S. Congress must act decisively to demand accountability and work with allies to bring these children home. This is a clear violation of international law and a humanitarian emergency and I urge you to use every tool available to pressure russia and secure the Ukrainian children's safe return.

As peace negotiations are ongoing, the crime of stolen and abducted children is about more than just Ukraine — it's about defending humanity worldwide!
