## Join the bipartisan Congressional Ukraine Caucus!

Dear Colleague:

Please join the bipartisan Congressional Ukraine Caucus in the 117<sup>th</sup> Congress. Since its formation in 1997, the Caucus has served as a proud advocate for liberty and democracy in Ukraine. This work has grown strategically more important given rising threats to liberty in Europe from Russian aggression and its use of hybrid warfare, as well as Chinese malign influence. Joining the Caucus provides opportunities to raise your voice for enhancing the bilateral relationship between the United States and Ukraine, attend unique briefings, and engage with high-level officials from the U.S. and Ukraine.

As you know, Ukraine continues to face serious threats to its hard-fought independence. Due to Russia's war in eastern Ukraine and the illegal occupation and annexation of Crimea, over 14,000 people have been killed and millions of Ukrainians have been internally displaced. Ukraine serves as a testing ground for Russian hybrid warfare, which will continue to be used against the U.S. and our allies. As a Member of the Caucus, Members will strengthen their knowledge about the variety of threats posed by a resurgent and increasingly aggressive Russia to our national security.

For this reason, we request your support for Ukraine's democracy and ensure that it remains a free nation through your participation with the Caucus. Thank you for your consideration. We look forward to working with you in the fight for liberty for this important ally and strategic partner. To join or ask questions, please email Nick Kazvini-Gore ([Nicholas.Kazvini-Gore@mail.house.gov](mailto:Nicholas.Kazvini-Gore@mail.house.gov)) of Ms. Kaptur's staff.

Sincerely,
