

# UCCA Humanitarian Update #25

*As of September 30th*

UCCA purchased an 8-person transportation vehicle for a unit of freedom fighters on Ukraine's southern front.

# Kyiv to Izyum

UCCA is grateful to all the volunteers on the ground in Ukraine that continue assisting us in distributing UCCA's humanitarian aid.

These volunteers drove vital aid from the Kyiv warehouse out East – to Izyum where the need is great.
