#SupportUkraine

The Ukrainian Congress Committee of America (UCCA.org), has been providing direct relief in the form of humanitarian & medical aid and non-lethal military assistance to help alleviate challenges Ukraine continues to face due to the aggressor's unprovoked genocidal war.

UCCA would like to sincerely thank our donors for their contributions over the last 15 months and hope we can count on your continued generous support during this critical time for Ukraine!

*UCCA earned a 2023 **Platinum Seal of Transparency**, the highest award from the charity rating organization Candid. Formerly known as Guidestar, Candid is the world's largest source of information on nonprofit organizations. Out of all non-profits registered in the United States, only roughly 6% receive the Platinum level of transparency.*
