

Humanitarian Update #58

as of July 11, 2023

UCCA delivers additional
life-saving IFAKs to our
freedom fighters.

*It is estimated that 1/4 of all IFAKs delivered to Ukraine
have been through UCCA & its partners*

UCCA
providing
advanced
optical
equipment -
helping to
bring long
distance into
focus.

UCCA sends Humanitarian Aid –
food, medicine and hygiene
products - to our freedom fighters
in Zaporizhzhya & Donetsk

Another truck load of humanitarian aid from
UCCA heads to the front

UCCA funds build outs of First Person View (FPV) drones –
which will be delivered to 3 Ukrainian drone groups

Goggles and radio transmitters to accompany the drones

#SupportUkraine

During this critical time for Ukraine, the UCCA asks for your continued support.

Each donation, large or small, has an impact, because every penny given to the UCCA's #SupportUkraine campaign goes directly to our humanitarian aid efforts. No money is diverted at the top or dedicated for administrative overhead – 100% of your tax-deductible donation is used to help alleviate the challenges Ukraine continues to face.

*UCCA earned a 2023 **Platinum Seal of Transparency**, the highest award from the charity rating organization Candid. Formerly known as Guidestar, Candid is the world's largest source of information on nonprofit organizations. Out of all non-profits registered in the United States, roughly only 6% receive this Platinum level of transparency.*
