THANKFUL

UCCA is honored to have received this letter & flag of gratitude for the humanitarian aid we delivered to 38th Separate Marine Brigade, which was formed as part of an expansion to the Ukrainian Naval Infantry.

'Convoy of Hope' Ambulance Mission Update:

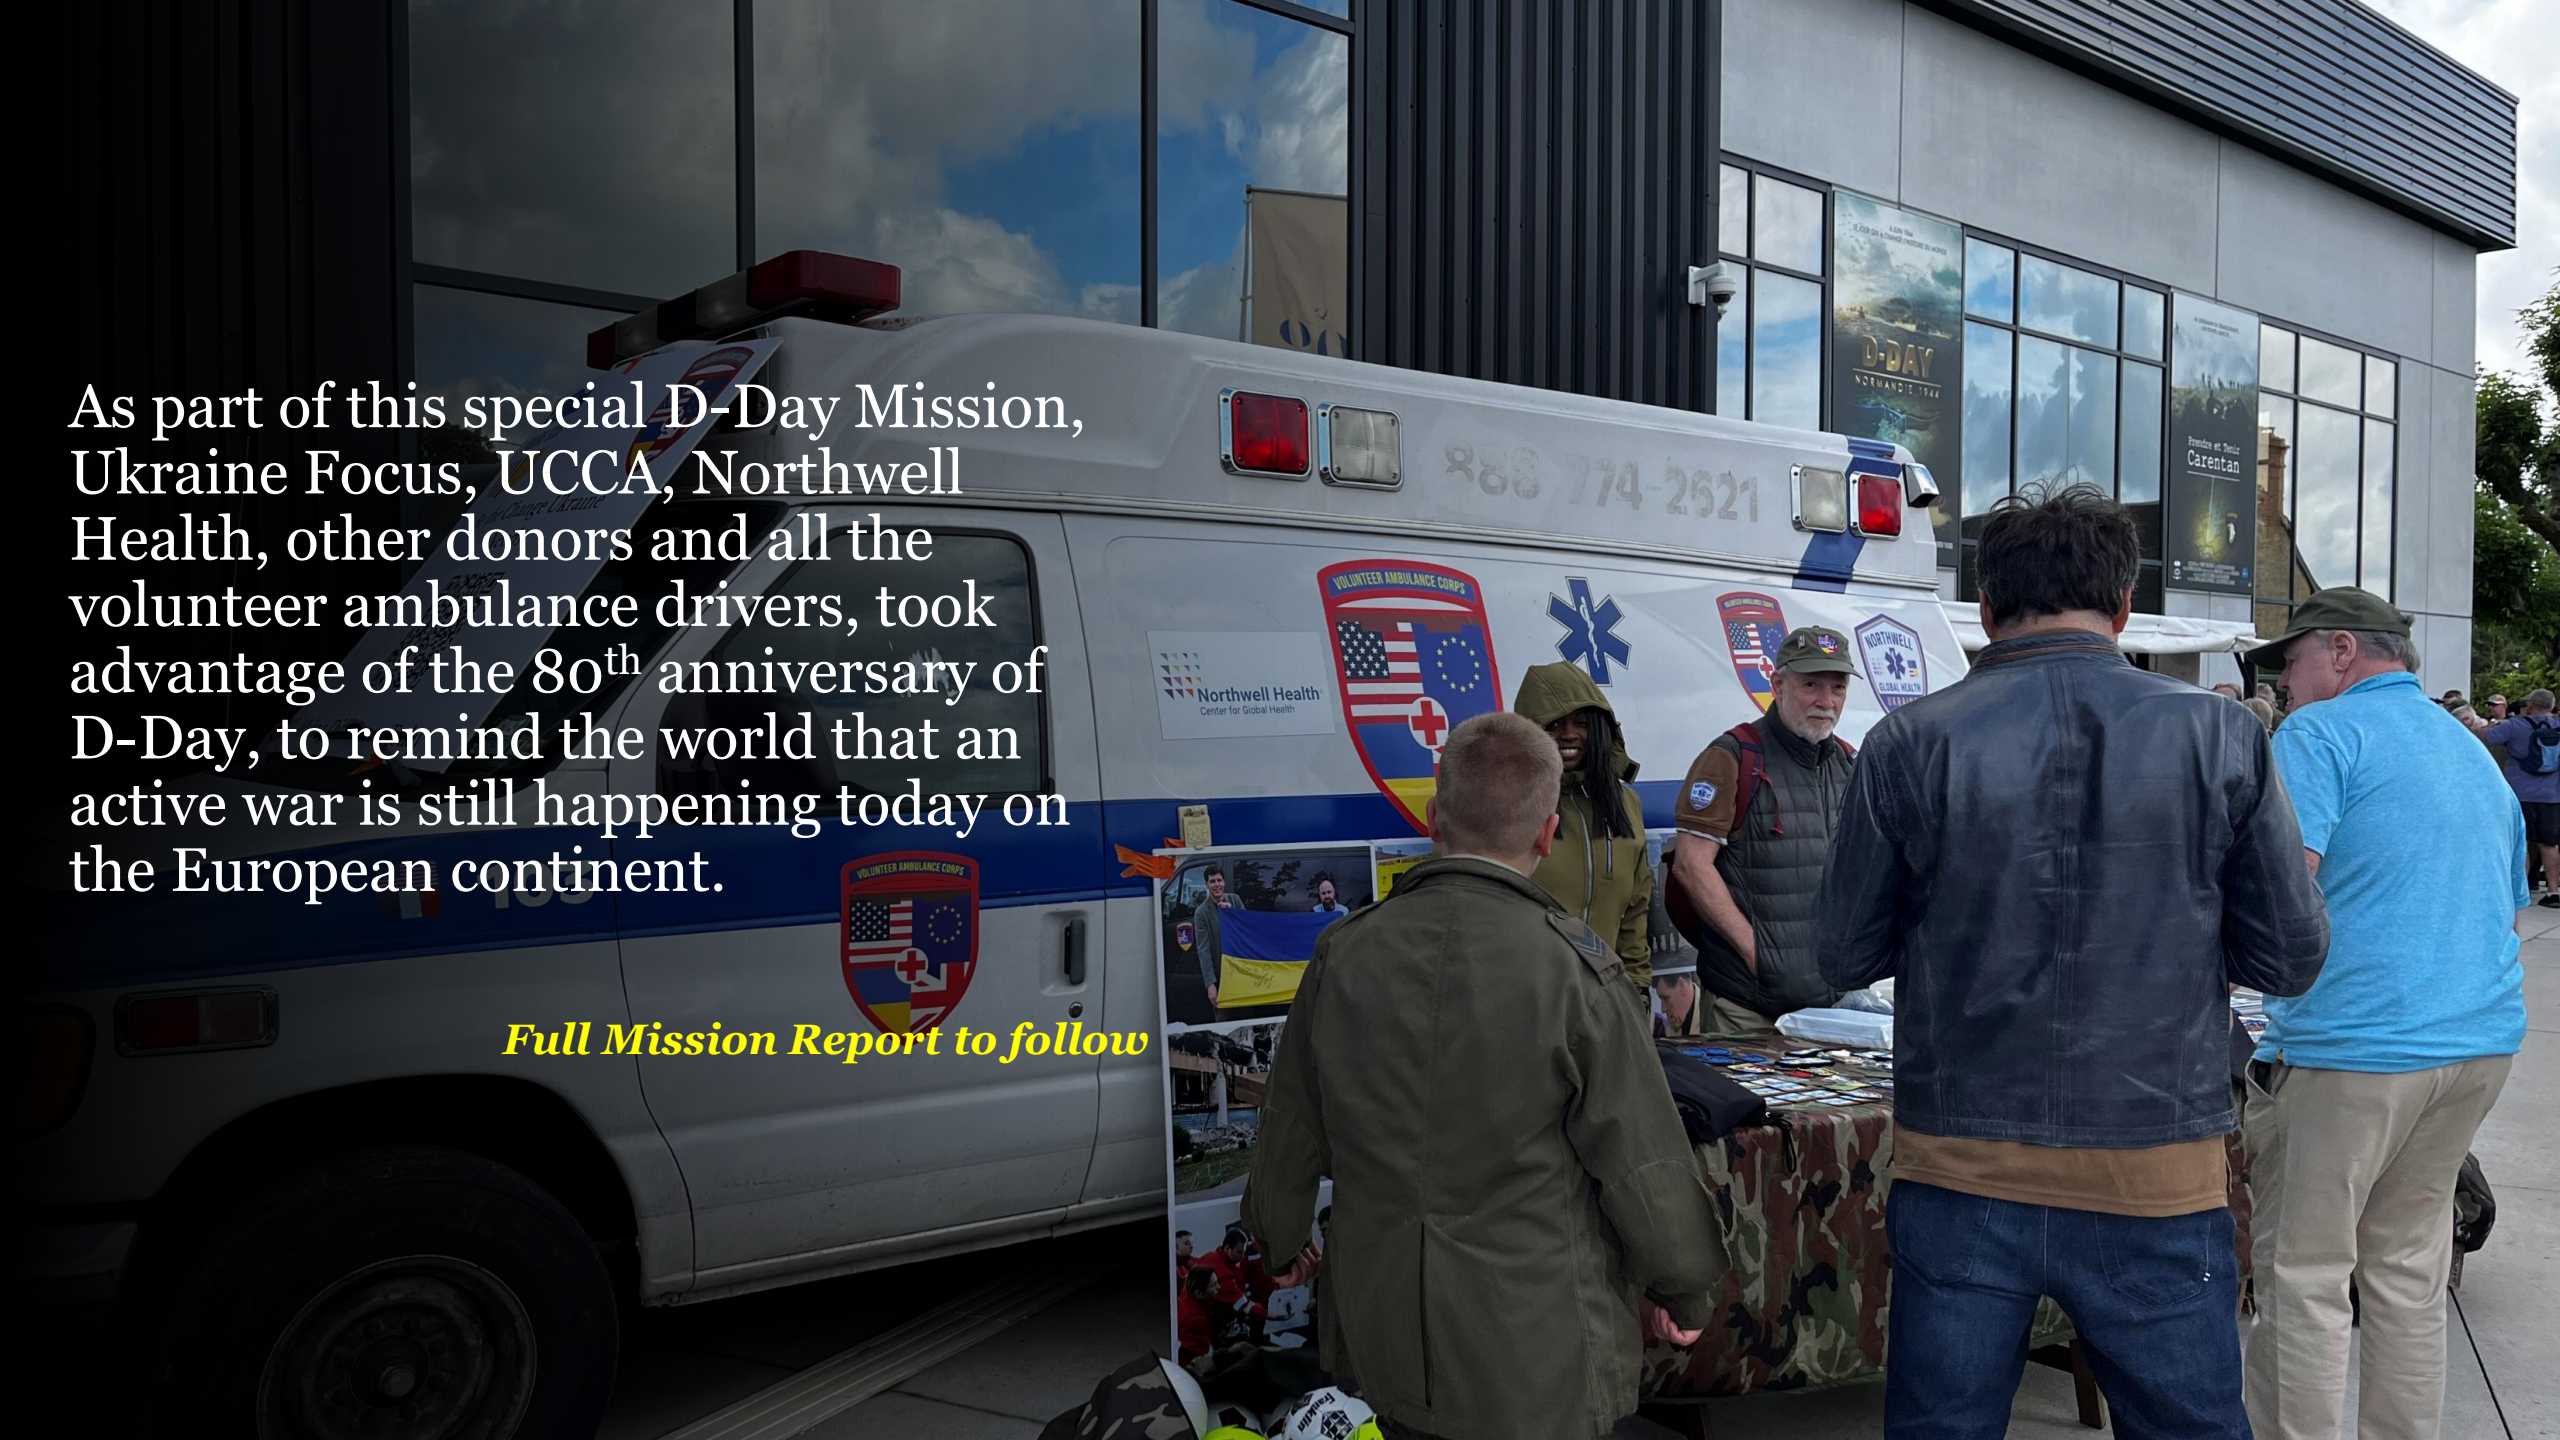

Upon arrival in Normandy, all 50 ambulances were inspected by an autobody shop and prepped for the long drive through Europe.

Special thanks to all those who donated to join UCCA in this project – UMANA Foundation, UZO, Cleveland Self Reliance FCU, Fund to Aid Ukraine, UCCA Chicago, UCCA Detroit, UMANA Cleveland, Daniel Kuncio, Victor Swyrydenko, Cooperative SUMA Ukrainian Gift Shop Hartford CT, UNA Branch 59 & UACCNJ.

As part of this special D-Day Mission, Ukraine Focus, UCCA, Northwell Health, other donors and all the volunteer ambulance drivers, took advantage of the 80th anniversary of D-Day, to remind the world that an active war is still happening today on the European continent.

Full Mission Report to follow

UCCA embarks on a project to help save animals. UCCA Kyiv Bureau, along with an animal rescue volunteer, Zoya Shkurko, founded the **“Four-Legged Santa”** project.

The goal of the project is to reduce the number of animals abandoned during the war in Ukraine and to provide comprehensive assistance to Ukrainians who have pets, but as a result of the war are unable to fully care for them.

Humanitarian Aid Update:

To support Ukraine's troops, UCCA continues procuring and sorting pallets of food, medicines & hygiene supplies in its Kyiv warehouse...
