*as of August 31, 2023*

UCCA purchases a minivan for our defenders on the frontlines

## UCCA Continues procuring and delivering drones...

---

*2 UCCA-funded drones were delivered  
by Brett Velecovich, drone expert and  
consultant to UCCA to Deputy  
Governor of Rivne for their units on  
the frontlines*

---

And additional  
UCCA-funded FPV  
drones reach  
Ukraine's freedom  
fighters

Thanks to a generous donation from CUF, UCCA partnered with Ukraine Protection and Development Fund to procure and deliver Water cannisters to villages in the Kherson Oblast – to help deliver/store water from the newly installed well pumps.

UCCA purchases Krovospac (stop the bleed hemostatic gauzes) a vital life-saving component of IFAKs and delivers 1,500 units to one of our partners - Operation White Stork

UCCA purchases  
and distributes  
Humanitarian aid  
– including  
IFAKs,  
tourniquets &  
medical supplies

# #SupportUkraine

**For 19 months UCCA has been raising funds and soliciting in-kind contributions to aid our brethren in Ukraine. To date, we have delivered over \$36 million worth of assistance thanks to YOUR support.**

**UCCA has launched a new Fundraising drive to raise money for the purchase of much-needed drones. Every month, Ukraine uses about 10,000 drones of different types. Through your charitable contributions, the #DroneFund will help UCCA supply the defenders in Ukraine with modern drones and equipment to counter the invasion. Please visit:**
