#SupportUkraine

For 19 months now, the Ukrainian Congress Committee of America (UCCA.org), has been procuring and delivering crucial non-lethal military assistance to our freedom fighters defending Ukraine's sovereignty and territorial integrity and providing direct relief to help alleviate the humanitarian challenges our brethren face due to Russia's unprovoked genocidal war.

Thanks to the generous support of donors like you we have delivered over **\$37 million** worth of assistance.

UCCA hopes it can count on your continued generous support!
