

Humanitarian Update #72

as of October 12, 2023

Following the horrific bombing of civilians in Kharkiv on October 5th UCCA's in-country partner – AICM – was on the ground in a day delivering medicines (donated by UCCA), hygiene and food to the hospital that was treating the innocent victims.

Humanitarian Aid Packages

UCCA procured, sorted and packed boxes of food, hygiene products, and medicines.

The humanitarian aid packages were then delivered to Anti-aircraft units of Ukraine's military.

UCCA bought fabric and seamstresses sewed warm blankets. UCCA then delivered these warm comforters to Ukraine's defenders in the East, because the nights are getting very cold.

UCCA continues to procure much-needed FPV
drones... 5 more just this week!

#SupportUkraine

For 19 months now, UCCA has been delivering crucial non-lethal military assistance to our freedom fighters defending Ukraine's sovereignty & territorial integrity and providing direct relief to help alleviate the humanitarian challenges our brethren continue to face due to russia's ongoing genocidal war.

UCCA hopes it can count on your continued generous financial support!
