Humanitarian Update #83

as of January 4, 2024
To spread a little cheer during the Holiday season, UCCA joined the **Santa Project** with a few of our Ukraine partners. Purchasing, sorting and packing toys and food to deliver to...
children and those in need in the Kherson Oblast, a region constantly under attack.
UCCA continues to supply pilots with GPS equipment.

This donation by UCCA was provided in the fall of 2023 but given the busy schedule of the pilots we just received this photograph.
To keep Ukraine’s defenders warm, UCCA continues to send cold weather gear donated by Fieldsheer & Bombas. This week boxes and boxes were sent in the direction of Donetsk ...
While dozens of packages of food, medicine and hygiene products were sent to units in the direction of Kharkiv.
UCCA continues to help enhance Ukraine’s ability to see.

This week UCCA purchased Night vision equipment to mount on a previously UCCA-purchased vehicle.
#SupportUkraine

During this vitally important time for Ukraine, the UCCA asks for your continued support.

Each donation, large or small, has an impact, because every penny given to the UCCA’s #SupportUkraine campaign goes directly to our humanitarian aid efforts.

No money is diverted at the top or dedicated for administrative overhead – 100% of your tax-deductible donation is used to help alleviate the challenges Ukraine continues to face due to Russia’s unprovoked genocidal war.
