

Humanitarian Update #94

as of March 6, 2024

UCCA continues to procure much-needed FPV drones... 5 more just this week!

Deliveries were made to units in the Donetsk Oblast to help our men and women protect Ukraine.

Anti-Drone Devices

UCCA invests in the development of anti-drone equipment, which is then delivered to the frontlines in Ukraine.

Keeping Ukraine energized

**UCCA 10,000+
GENERATORS Project**

This week portable generators of various strengths (and hygiene supplies) were sent to several units in Sumy Oblast

Boxes of medicines, pharmaceutical supplies and goodies are sent out weekly.

#SupportUkraine

For over 24 months now, UCCA has been delivering crucial non-lethal military assistance to our freedom fighters defending Ukraine's sovereignty & territorial integrity and providing direct relief to help alleviate the humanitarian challenges our brethren continue to face due to russia's ongoing genocidal war.
