

# UCCA Humanitarian Update #52

*as of May 24, 2023*

UCCA purchases a large refrigerated truck.

The truck will be used to transport food to the frontlines and store enough food to feed 3 brigades.

Each brigade has 5 thousand people.

UCCA delivers van full of humanitarian aid to IDPs living in villages that were occupied by the aggressor and have since been liberated.

# #SupportUkraine

For over 15 months now, the Ukrainian Congress Committee of America (UCCA.org), has been providing direct relief in the form of humanitarian & medical aid and non-lethal military assistance to help alleviate challenges Ukraine continues to face due to the aggressor's unprovoked genocidal war.

UCCA would like to sincerely thank all of our donors for their contributions and hopes it can count on your continued generous support!

*UCCA earned a 2023 **Platinum Seal of Transparency**, the highest award from the charity rating organization Candid. Formerly known as Guidestar, Candid is the world's largest source of information on nonprofit organizations. Out of all non-profits registered in the United States, only roughly 6% receive the Platinum level of transparency.*
