

Special IFAK Mission

Krakow, Poland
September 23rd – 27th

Transporting IFAKs and Medical Supplies

Working with our partner – Operation White Stork – UCCA hand carried forty 50lb bags filled with life-saving Individual First Aid Kits (IFAKs) and medical supplies.

Checking in close to 2,000lbs
worth of medical supplies

The duffel bags being loaded onto a plane headed for Krakow, Poland, where Operation White Stork has a warehouse thanks to the generosity of the Jesuit University.

First Step:

Sort the life-saving Individual First Aid Kits

Next step

Sort, count and catalogue all the medical supplies

Prepare all the
components for the
IFAK assembly line...

Work Commences

Building out the IFAKs... piece by piece
