UCCA’S 4TH HUMANITARIAN AID & SPECIAL DELIVERIES MISSION WITH RACHAEL RAY

MARCH 20-23, 2023
Together for the 4\textsuperscript{th} time

Following three successful trips together, UCCA President Andriy Futey organized a 4\textsuperscript{th} journey to Lviv, Ukraine and traveled with Celebrity Cook Rachael Ray, to deliver additional humanitarian aid and conduct a master cooking class.

On this visit they were accompanied by Chefs Noah Sims and Giancarla Bodoni, along with photographer Melanie Dunea.

March 20th – First stop

Upon arrival the team immediately proceeded to John Bosco Youth Educational Center to setup and prepare the classroom/kitchen for next morning’s Master Cooking Class.
March 21<sup>st</sup> –
So happy to be back for her 3<sup>rd</sup> Master Cooking Class, Rachael Ray welcomes the orphans again to the kitchen she has completely equipped…
Chefs Rachael, Giancarla and Noah instructed the students and orphans on how to prepare American Chili with a special Rachael Ray twist.
As a special treat, Rachael invited Emeril Lagasse, another renowned chef, to join via zoom and teach the children how to make mac & cheese and cornbread.
Cooking with additional kitchen equipment and supplies including pots, food processors, bowls, everyday kitchen utensils as well as spices – all thanks to Rachael Ray’s commitment to help Ukraine!
Everything to help the children and make them happy… Rachael even presented the orphans, at their request, an **Ice Cream machine** from which they can make soft serve ice cream.
UCCA assisted with logistics and donation of 20 laptops to John Bosco Youth Educational Center by UCCA’s partner UkraineFriends
As Ambassadors of the National Rehabilitation Center and “Unbroken” program, Rachael and Andriy met with Lviv’s Mayor Andriy Sadovy. During their visit they discussed in detail UCCA’s and Rachael Ray’s continued partnership with and support of the Center and Program.
March 22\textsuperscript{nd}

Andriy & Rachael visited the \textbf{Communal Municipal Children's Hospital} in Lviv and met with Dr. Ivan Myskiv and his team.

During this visit, they delivered an electric scooter and electric wheelchair especially designed for individuals with Cerebral Palsy and presented 2 ocular equipment purchases - Surgical Microscope & Centurion Vision System, which will be delivered soon. Funds donated by the Rachael Ray Foundation in partnership with UCCA.

*UCCA thanks Dr. Marta Lopatynsky for her assistance and counsel*
Following their meeting with the Children’s Hospital, Andriy and Rachael met with the Director and Administration of the National Rehabilitation Center – UNBROKEN-, during which they discussed their priorities and needs. UCCA & RR committed to help with construction of a major need of the Rehabilitation Center – a Kitchen that would serve 3,000 patients on a daily basis.
UCCA would like to thank Rachael Ray for her continued generosity and outpouring of support for the people of Ukraine! She has made a difference in so many people’s lives and UCCA is grateful to be a part of this journey.
