UKRAINIAN CONGRESS COMMITTEE OF AMERICA

Dear Friends & Supporters of Ukraine,

Russia's most recent war crimes against Ukraine have created the largest humanitarian crisis seen in Europe since WWII, resulting in over 6 million Ukrainians fleeing to the safety of other countries, and an additional 8 million internally displaced within Ukraine.

Throughout 2022, the **Ukrainian Congress Committee of America** (UCCA.org), the largest umbrella organization representing the interests of nearly 2 million Ukrainian Americans, has been addressing these humanitarian challenges with direct aid delivered to Ukraine even before this most recent invasion.

Through your generous contributions, we have raised over **\$4 million** dollars in cash and in-kind contributions. **\$3.5 million** dollars' worth of assistance has been delivered or deployed. Highlights include:

- **Medicine:** in partnership with the "AICM-Ukraine" Foundation (Association Internationale de Cooperation Medicine), UCCA has stocked several warehouses in Ukraine with medical and pharmaceutical supplies. The initial stockpiles have already been depleted, but warehouses continue to be resupplied so that humanitarian aid can be delivered to those in urgent need. - **Front line assistance in Kharkiv:** UCCA has ordered and delivered 450 pieces of body armor, 150 helmets, and 15 high-end night vision pieces: in total, approximately \$500,000 worth of vital supplies needed to protect Ukraine's defenders have been delivered through this fund. More assistance including a vehicle and other necessary items are on their way.

- **Territorial Defense:** We supplied various territorial defense units with uniforms, communications equipment, night vision glasses and medical supplies. UCCA is currently gathering thousands of vests and helmets from our donors and US law enforcement agencies to ship to the front lines: <https://youtu.be/UwNxzSOraQE> ^ <https://youtu.be/ps8WrRGDZVM>
- **IFAKS:** in partnership with KOACORE, Ukraine Friends and Operation White Stork, UCCA is supporting the production and distribution of vital lifesaving IFAKs (military-grade individual first aid kits). Over \$400,000 of your donations to UCCA has been allocated to assembling these IFAKs domestically, ship them to our warehouse in Poland and then delivered directly to the front lines of Ukraine. <https://youtu.be/mWjI1MSjIq4> <https://youtube.com/shorts/RQ153dmgOrE> ^ <https://youtu.be/GJFIUix3ue8>

- **Evacuation of Ukrainians:** On the return trip from the combat zones, Operation White Stork is evacuating Ukrainians escaping the war to Airbnb's in Krakow, Poland (over 11,000 to date). <https://nbcnews.to/3N5NBXh>
- **Feeding Ukrainians:** UCCA's humanitarian efforts are also providing hundreds of free meals daily to the IDPs, wounded warriors as well as to several territorial defense units in Lviv, Kyiv, Ivano-Frankivsk and Poltava. Working with our partner in Poland, the Ukrainian National Home, UCCA is supporting a program that provides food, shelter, hygiene products, warm showers for 100 individuals daily fleeing the ravages of war.

Unfortunately, our work is far from done. Help us make a direct impact to save Ukraine. Please continue your generous donations.

Let's help Ukraine win this war!
