Dear Friends of Ukraine,

Ukraine is currently facing numerous challenges to its security and sovereignty. We are all too familiar with Russian troops amassing once again on Ukraine's borders, the migrant situation in Belarus, the continued threat to European energy security should the NordStream2 pipeline be fully operational, and Russia's unmitigated hybrid aggression upon Ukraine.

Many scholars and experts have been writing about the tenuous position that Ukraine is facing currently. An eloquent summary of the dire situation is illustrated in the following article by foreign policy expert Stephen Blank: <https://cepa.org/ukraine-no-need-for-a-munich-sell-out/>

UNIS has been constantly monitoring the situation in Washington and reaching out to Administration officials and congressional leaders to enhance their support for Ukraine at this critical juncture. Our elected officials in Congress must hear from their constituents to reinforce our advocacy of the U.S.-Ukraine strategic partnership and to augment necessary assistance for Ukraine.

Dear Senator/Representative (name):

As a Ukrainian American constituent in (state/district), I respectfully request your support for continued support for Ukraine. Recently, Ukraine and the United have enhanced their relationship with the signing of a renewed U.S.- Ukraine Charter on Strategic Partnership. Its preamble states emphatically the United States' "unwavering commitment to Ukraine's sovereignty, independence, and territorial integrity within its internationally recognized borders, including Crimea."

Ukraine is facing imminent peril at the hands of Russia's continued aggression. Please support efforts to enact immediate sanctions against the NordStream2 political pipeline, provide Ukraine increased levels of military assistance, as well as to integrate Ukraine further into Euro-Atlantic structures by providing membership in NATO. Your support of Ukraine and its strategic importance to the national security interests of the United States would be greatly appreciated.

Below, please find an infographic about the key points of interest regarding Ukraine. UNIS urges you to contact your elected officials and request their continued support for Ukraine. For your convenience, below the infographic please find a sample letter to your Senators and Representatives.
