Dear Friends of Ukraine,

SAVE THE DATE - “Ukrainian Days” in June 2023

The next in-person #SupportUkraine! “Washington Ukraine Days” advocacy fete will be held in Washington, DC in mid-June following the Memorial Day congressional recess.

Sponsored by the Ukrainian National Information Service (UNIS), the Washington, DC public affairs bureau of the Ukrainian Congress Committee of America (UCCA), this advocacy event remains a very important endeavor for the Ukrainian American community especially given the urgent support needed for Ukraine to win the war against Russian aggression.

Now, 14 months into Russia’s brutal war in Ukraine, the upcoming June 2023 advocacy event will be used as an opportunity to meet in-person once again with Members of Congress and acquaint them with our concerns for increased security assistance for Ukraine; continued strong sanctions against Russia; designating the Wagner Group as a Foreign Terrorist Organization (FTO); recognizing the current war in Ukraine as genocide; and, support for an international tribunal of Russian war crimes in Ukraine.

As is traditional, the “Ukrainian Days” advocacy program will include presentations of the “Friend of UNIS” award to Members of Congress and others who have shown overwhelming support for Ukraine and the enhancement of U.S.-Ukraine relations.

JUNE 14-15, 2023 - SAVE THE DATE and advance our community’s concerns in Washington and meet your Members of Congress. Further information will be forthcoming by e-mail and on the UNIS social media platforms.

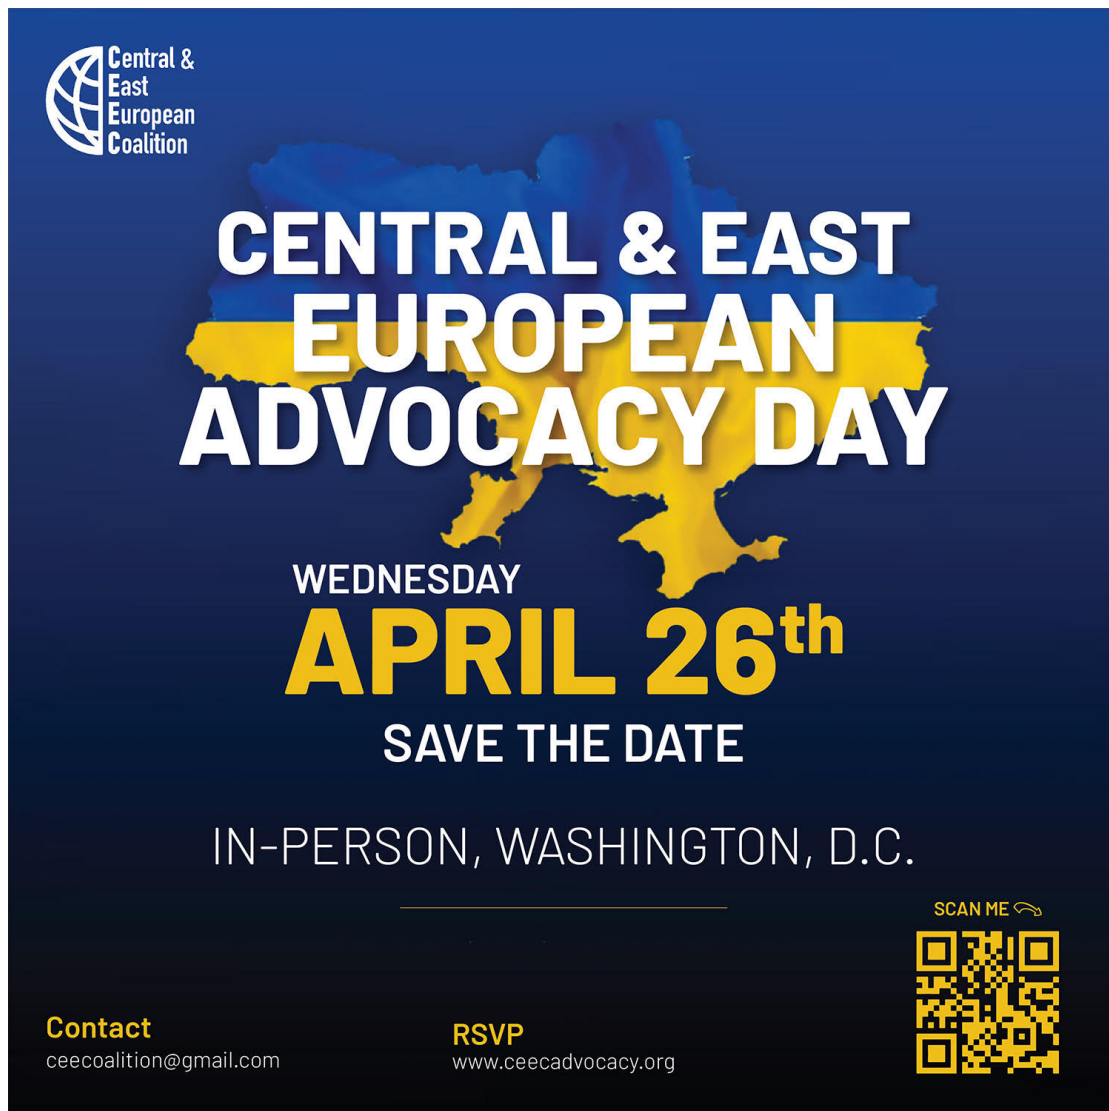

**Advance our community’s concerns in Washington and meet your
elected officials!**

See you in Washington, DC!
