Dear Friends of Ukraine,

REAFFIRM SUPPORT FOR UKRAINE!

Ukraine has endured 600 days of russia's full-scale invasion and the world has witnessed the bravery, determination and resiliency of the Ukrainian people in fighting back against tyranny, aggression, and genocide. Continued security assistance is imperative for Ukraine to win the war and liberate those territories temporarily-occupied by russian forces.

Please contact your elected officials in the Senate and House of Representatives and request continued security assistance for Ukraine. Congressional reaffirmation of support for Ukraine is critical at this pivotal point of 600 days of war. Request of your elected federal officials that Ukraine promptly receives all the needed weaponry (ATACMS, F-16's, etc.) that will win the war sooner.

Below please find an infographic with talking points on contacting your elected officials. The infographic is currently posted on UNIS FB, Twitter, and IG accounts. Please like and share.
