Dear Friends of Ukraine,

## **\$61.4B UKRAINE SUPPLEMENTAL REQUEST - CALL/WRITE TO CONGRESS!**

This week, Congress returned to Washington, DC to continue its deliberations on important legislation matters including passage of the national security supplemental request, of which \$61.4b is designated for Ukraine. The importance of additional security assistance to Ukraine is self-evident and the lack of assistance from the United States will severely diminish Ukraine's ability to defend its citizens, as well as to protect the world from Russian aggression. Below please find links to articles about the significance of continuing security assistance to Ukraine: [LINK 1](#) & [LINK 2](#)

The Ukrainian Congress Committee of America (UCCA) and its Washington, DC public affairs bureau – the Ukrainian National Information Service (UNIS) – urge you to contact your elected officials IMMEDIATELY and urge them to support and pass the supplemental national security assistance bill.

### HOW TO CONTACT CONGRESS:

- 1) Click [www.senate.gov](http://www.senate.gov) to search for your state and its two senators;
- 2) Click [www.house.gov](http://www.house.gov), input your zip code to search for your Representative; and
- 3) Copy and paste sample letter below into the contact form and press send.

\*\*\* A VERY IMPORTANT REMINDER: congressional offices tally correspondence they receive on issues of concern to constituents, thus your communication with your Senators and Representative will denote the importance and urgency of additional security assistance to Ukraine.

### SAMPLE CORRESPONDENCE:

*Dear Senator/Representative:*

*As your constituent, I urge you to support Ukraine, specifically the proposed \$61.4 billion supplemental request to provide desperately-needed security assistance. This crucial assistance not only benefits Ukraine by defending against the ruthless onslaught of Russian attacks, but also is in the national security interests of the United States and the entire Free World.*

*Ukraine is not only defending its own country, sovereignty, and territorial integrity, it is also defending the international law-based security dynamic. Curbing Russian aggression now will prevent prolonged American involvement in a future European conflict. Your support at this critical juncture is greatly appreciated.*

*Thank you!*
